

## **SASCHDI Technical Committee**

### **Register of Teachers**

**SASCHDI Technical Committee will oversee the administration of a Register of Teachers.**

**This register is suitable for all qualified teachers of Highland Dancing in South Australia who apply to be members within the Technical Committee of SASCHDI.**

**Membership to the SASCHDI Technical Committee and addition to the Register of Teachers requires the payment of an annual fee, as ratified at the SASCHDI AGM each year.**

**Teachers who already pay the annual subscription to the SASCHDI General Committee as a Dancing School (Primary teacher) or as an Independent Member, achieve membership to the SASCHDI Technical Committee and subsequent addition to the Register of Teachers as a part of that existing annual subscription. No further fee needs to be paid.**

**Application to the SASCHDI Technical Committee is a letter of introduction and summary of dancing experience, with the provision of a copy of the applicant's Teachers certificate for SASCHDI Technical records.**

**Once applications are approved, listing to the Register of Teachers occurs once the annual Technical membership/or subscription is paid.**

**Membership of SASCHDI Technical Committee and listing on the Registry of Teachers will cease as per SASCHDI Constitution 3. Membership, Section 3.7.**

#### *Rationale -*

*This entry to the SASCHDI By-laws/constitution is to achieve the requirement of bylaw 14/4/1986. It is to officially recognise all of the qualified Teachers in SA, and to provide an official list for publication and communication of Technical and development information to support Teachers and Dancers in SA.*
